

For Healthcare Marketing & Education Initiatives

Imagine communicating complex MOAs, Disease States, Body Systems & Anatomy, Product Branding, Surgical Procedures & Device Demonstrations, and more. All while Appearing to be "Immersed" Inside the Human Body!

Only 3FX Provides This Unique 3D Immersive Experience!

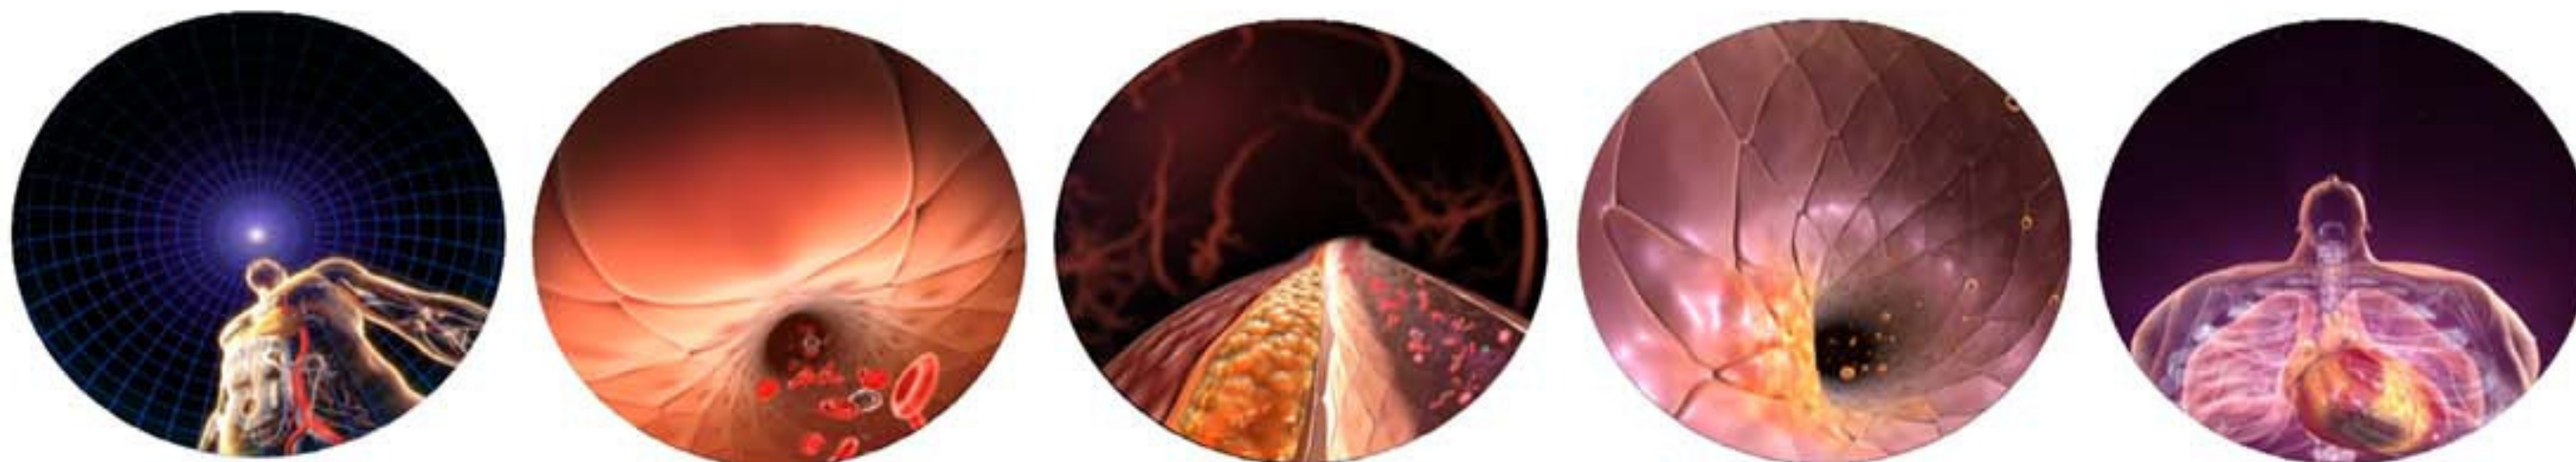

What is our Immersive Theater Experience™?

A custom designed, 3D "Fulldome" animated presentation in a unique 360° environment. This experience offers you a unique opportunity to differentiate and deliver your message.

3D Animation + Dome Environment for Marketing & Education Initiatives:

- Medical Conferences • Exhibit Booths • Physician & Patient Education • Symposiums
- National Sales Meetings • Sales Force Training • New Product Launches

- Showcase Client Message in a New & Unique Way • Opportunities for Visual Impact
- Better Communicates Product Features & Benefits • Fully Immersive & Engaging
- Draw Conference Attendees to Your Exhibit • Reinforces Product & Brand Awareness
- Increases Post Show Product Response • Increases Event ROMI
